Happy New Year!

Enclosed is a preliminary list of bulls that we will offer at our 23rd Annual Bull Sale on Tuesday, March 5, 2019, at our ranch near Estancia, NM. The sale catalog will be mailed out in February and will also be posted on our website. Please note our sale date is earlier than it has been in years past. Because of our earlier sale date we are offering three options for pickup and delivery to better accommodate our customers.

Option 1: Receive a \$50 per head discount on bulls picked up sale day or the next day, Wednesday, March 6th.

Option 2: Receive free delivery on purchases greater than \$6000, to a central location up to 250 miles. Delivery will be made as soon after the sale as possible.

Option 3: Leave bulls up to Tuesday, March 19th for no cost and at our risk. There will be a \$3 per head per day charge on any bulls not picked up by Tuesday, March 19th.

We strive to produce cattle that will be the most profitable in a dry Southwest climate. We continuously work to identify sires to achieve this goal, whether they are from our own herd or outcross sires. We believe the long term success of our customers is the best measure of our program.

We welcome anyone who would like to view the bulls before the sale. They are currently being developed at our Fort Sumner facility. Feel free to contact us with any questions or to view the bulls.

We look forward to seeing you Tuesday, March 5th.
